

Hospital Gift is the UK's leading hospital charity cashback and fundraising initiative. Its identical twin Gift to Charity received top marks from the Institute of Fundraising in its 'Dragons' Den' for innovation.

It's a simple and savvy way to raise money for our RNOH Charity by simply shopping. It doesn't cost you a penny extra – indeed you get paid to shop! This unique platform gives YOU free money as cashback with every purchase and OUR charity receives half the amount as a donation.

It really is win/win and it's **FREE** to join

You get £2.50 when you register and for every friend you refer you can earn £2.00!

The money is paid out to you and to us 50/50 when you have £25 or more in your cashback account.

Hospital Gift has a massive online store with 3000 retailers including most of your favourites.

You can also earn cashback in store with High Street giants such as Halfords, NCP and Sports Direct when you register your debit/credit cards on Gift's secure website. It enjoys the same level of security as online banking.

So, if you're an online shopper, don't go direct to the retailer, always go through Hospital Gift - prices are exactly the same and you'll be helping yourself and our charity every time you buy.

Make the most too of shopping with Hospital Gift's in store partners – every purchase with a registered card earns you cashback which is tracked to your online account.

PLEASE NOTE, DUE TO INTERNET SECURITY SYSTEMS, NHS STAFF MAY NEED TO REGISTER FROM THEIR HOME COMPUTER AND NOT FROM THE WORK PLACE
