

Infection Prevention and Control (IPC) Team

The infection prevention and control team are:

- Mojisola Adeyemi - Lead Infection Control Nurse
- Chinedu Onwubuya - Surgical Site Surveillance Officer
- Lydia Kaindama - Surveillance Nurse
- Menard Ryan Ong - Infection Control CNS
- Simon Warren - Consultant Microbiologist
- Shara Palanivel - Consultant Microbiologist
- Damien Mack - Consultant Microbiologist
- Tariq Azamgarhi - Antimicrobial Pharmacist
- Aliyah Undre - Antimicrobial Pharmacist
- Mr Alexander Gibson - Chair, Infection Control Committee; Consultant Orthopaedic Surgeon

The infection prevention and control team works to support and advise in the prevention and control of infection. Our team's aims are to:

- Provide an advisory service 24 hours a day, 365 days a year
- Provide education and support
- Undertake surveillance and advise on trends
- Support and advise on the prevention and control of outbreaks or incidents associated with infection
- Indicate areas of risk to the Trust and advise on action
- Support and initiate research and innovations in infection prevention and control
- Provide appropriate infection control advice on developments and refurbishments.
