

Bolsover Street Imaging Department

The Bolsover Street Imaging facility is located on the Lower Ground floor of the building. If reception is not attended, please take a seat close by and you will be attended as soon as a member of staff is available.

For all Imaging appointments:

For all NHS patient appointments: **020 8909 5460**

Private Patient referrals: **020 8909 5325**

Ultrasound

Opening hours are 9am – 5pm Monday – Friday. All US examinations must be arranged by appointment. If you are running late or have been unable to attend your appointment, please contact the Bolsover Street Imaging Department direct on 020 7391 4240.

Private patient US referrals will be accepted at the Bolsover Street site, but appointments are usually required. The US service is not a walk in service.

The Bolsover Street Imaging department will accept private patient referrals, but some patients may have to visit the Stanmore site, depending on the type of imaging that has been referred by the doctor.

X-Ray

Opening hours are 8am – 6.30pm, Monday – Friday, on a walk-in basis to support the outpatient department appointments. Opening hours are dependent upon the outpatient clinic scheduling. When required for clinic lists, the department will remain open until 8pm by prior arrangement.

On some occasions there may be a wait for your x-ray, if a significant number of walk-in patients have come to imaging at the same time, particularly during busy clinic lists.

Bookings are made for measurement x-rays however, as these take some time to perform. These appointments are offered on Tuesdays mornings or Wednesday afternoons.

The Bolsover Street Imaging department will accept private patient referrals, but some patients may have to visit the Stanmore site, depending on the type of imaging that has been referred by the doctor.

We do not perform NHS GP imaging at this site. For all NHS GP referrals please see your request form for the location you have been referred to.

Other imaging

Ultrasound at Bolsover Street.

As there are only x-ray and US facilities at the Bolsover Street site, any referrals for other types of imaging will be arranged by appointment by the Stanmore site staff. Please expect a phone call or appointment letter from our patient pathway coordinators.
