

Stanmore Public Transport

This video is about taking public transport to get to the RNOH. It gives you advice on travel times and where to go. It covers the tube service to Edgware and Stanmore, the bus services from both tube stations and the RNOH courtesy car service from Stanmore station.

Please note: The video states lift access at both stations. This is incorrect; there is only lift access at Edgware Station. Stanmore station entry and exit requires a 110m journey via station car park, including steep ramps. Please refer to [Tfl website](#) for further accessibility information.

Planning your Journey

You can use the journey planner below to find out the best route to take to get to RNOH Stanmore. Your journey options will pop up in a new window. Simply enter the postcode, address or station you will be travelling from.

By Tube / Bus

New route for 615 bus

The 615 bus that runs to Hatfield has changed its route, after stopping at Stanmore Station; it now goes to the hospital via Stanmore Hill and Wood Lane, with new stops close to the Aspire entrance. The Uni-Bus Co have increased the service to run approximately every 30 minutes from 7am to 10pm Monday to Friday with a reduced service on Saturdays. Please note: the bus service does not take Oyster cards as this is not a TFL bus.

Patient Buggy Service on-site

There is an onsite patient buggy service that can shuttle patients between main locations on site. The buggy can be requested from Main Gate, Outpatients, and Orthotics reception. It will also stop in the lower patient car park.

(Please note: The buggies cannot transport wheelchairs and can only take passengers able to step on the buggy unaided.)

Buggy Timetable:

09:30 – 16:00 Monday to Friday*

*Depending on volunteer availability.

If you wish to find out more about the buggy service, please contact Volunteer Services via email: rnoh.volunteering@nhs.net or by calling 020 8909 5394
