

# Health Professionals

## Find a Consultant

We have a large number of consultants, many with special interests and particular areas of expertise  
Treatments range from acute spinal injuries, bone tumours and complex joint reconstruction to orthopaedic medicine and specialist rehabilitation

## Make a Referral

If you are a GP referring to the RNOH please use the NHS e-Referral Service system, e-RS. e-RS is the NHS electronic patient referral service used to refer patients to a consultant-led service.
