

Estates Contact Details

Projects, Estates & Facilities Directorate

The Projects, Estates & Facilities Directorate is responsible for managing all aspects of the estate from strategic planning and the design of buildings to meet the modernisation of clinical services, through to ensuring the Trust's premises are well maintained and provide an environment that provides front line support to patient needs the management of all the RNOH's physical estate. The three functions of the directorate are illustrated in the diagram below.

Our aim and purpose is to provide a co-ordinated approach to developing, maintaining and adapting the RNOH estate that allows the delivery of care to be undertaken in well designed, managed and maintained buildings which will meet patients' expectations for better-designed, comfortable, functional and welcoming healthcare environments.
