

Asbestos

The Trust will provide Contractors with information in relation to where asbestos containing materials are suspected to be located on the premises. Contractors will not undertake any work on asbestos containing materials (or those suspected) unless they are licensed to do so and have applied to the HSE to undertake such works. Contractors must have authorisation from the Estates Health & Safety Officer before undertaking the works. Contractors must fully comply with Control of Asbestos at Work Regulations 2008 and associated ACoP's. Contractors must provide employees with appropriate health screening. The Trust's asbestos register must be viewed on prior to work commencing on site.
