

## LSCIC Garden

Viv Williamson left the Trust in February 2015 and the Occupational Therapy team are no longer involved in looking after the garden. Voluntary Services are looking to form a group of gardening volunteers to help manage it, along with the current volunteers, Darren and Tristan.

If you would like to join the Volunteering team and help with the LSCIC Garden, please contact the Volunteer Services on telephone: **020 8909 5394** or email: [rnoh.volunteering@nhs.net](mailto:rnoh.volunteering@nhs.net)
