1. I confirm that I have read and understood the relevant information sheet, version dated, and have had sufficient opportunity to ask questions.
2. I give permission for my child's clinical data including imaging from any hospitals that (s)he has attended or will attend in the future, to be stored on a database in an anonymised format, and made available for ethically approved research, in the UK and abroad.
3. I give permission for my child's tissue (surplus to diagnostic requirements) from any hospitals that (s)he has attended or will attend in the future, to be made available for ethically approved research, including genetic analysis, in the UK and abroad.
4. I give permission for my child's urine and/or saliva and/or buccal swab to be made available for research, including genetic analysis, in the UK and abroad.

All data and samples will be coded for anonymity.
All research projects will be approved by an ethical committee.

CONSENT FOR BLOOD DONATION

In addition to the above, we may also ask for blood samples from your child. Please indicate below if you agree for blood samples of up to 50ml (6-8 teaspoons) to be taken from your child. We make every effort to collect blood for research while patients are having routine samples taken, or while they are under anaesthesia. You may refuse any time without giving a reason and this will not affect your child's medical treatment or legal rights

I wish my child to donate blood for research

I do not wish my child to donate blood for research

I understand that my child's participation is voluntary, and can be withdrawn at any time without giving a reason. This will not affect my child's medical treatment or legal rights.
